Save-the-Dates!

Winter 2010:
Apr 8, May 13
Fall 2010:
Sep 9, Oct 14,
Nov 11, Dec 9

Learning Objectives

Following the presentation, participants will:

- Understand the realist review approach to conducting a literature review around the concept of implementability.
- Identify the characteristics of a guideline which affect their uptake in practice.
- Learn about a process being undertaken to develop and evaluate a tool to enhance implementability of guidelines.

To register:

This session is offered by Telehealth (videoconference) from St. Michael's Hospital in Toronto, Canada.

OTN sites: Please reserve your studio and ask your coordinators to email kinachm@smh.toronto.on.ca. OTN Telemedicine coordinators can also self-schedule by clicking on the following link:

<https://schedule.otn.ca/tsm/portal/nonclinical/details.do?request.requestId=8066171>

Non-OTN sites: please contact Brad McMillan at its-videoconf@uwo.ca to make connection arrangements.

Registration deadline is March 4, 2010, 5 PM ET. After the deadline, individuals can participate by webcast only.

Telemedicine broadcasting made possible by The Joseph L. Rotman Institute of Science and Values at The University of Western Ontario and SACYHN (Southern Alberta Child and Youth Health Network)
