

Clinical Legal Services

Clinical Legal Services provides Alberta Health Services' frontline **staff and management** with clinical legal advice on matters relating to:

- Child Welfare
- Consent
- Discharge Planning
- End of Life Issues
- Protection for Persons in Care
- Patient Complaints
- Guardianship and Substitute Decision Making
- Mental Health and Addictions
- Personal Directives
- Public Health
- Refusal of Treatment
- Safety and Security

...and other matters that affect frontline staff while providing patient care.

Available: Monday to Friday from 8:30 a.m. to 4:15 p.m. (*After hours support provided through the Provincial On-Call Process*)

Service provided by: Alberta Health Services' Clinical Legal Counsel Team who have clinical expertise in providing timely, practical legal advice.
