

May 5, 2017 – CIHR Announcement: Delay of next Project Grant Competition

As sent out by Research communications (May 5, 2017), the upcoming CIHR Project Grant Competition registration that was to close on May 30, 2017 will be delayed until **August 15, 2017**, with an application deadline of **September 15, 2017**.

In order to mitigate the impact of this delay on the research community, CIHR will financially extend all existing Open Operating and Project Grants scheduled to expire between September 30, 2017 and March 30, 2018 until March 31, 2018.

CIHR has confirmed **that the decisions for the Fall 2016 Project Grant competition will still be released on May 15**, and the additional investment in that competition [announced April 13](#) still stands. As a result of the decision to delay the Spring 2017 Competition, CIHR will be investing an additional \$100 million in the Fall 2016 competition.

Anyone with questions or concerns is advised to contact Anna LeMarquand at the Research Grants Office in Research Services (asamuels@ucalgary.ca).
