The Department of Medicine congratulates Dr. Ward Flemons on being this year’s recipient of the Foothills Medical Centre’s Clinician of the Year Award.

This award recognizes his outstanding contributions to health care in Calgary and to Alberta Health Services. Dr. Flemons has been, and continues to provide exemplary health care and has worked to create an atmosphere of trust, respect and dignity for patients, families, health care providers and other Alberta Health Services employees. He has been an excellent teacher and mentor for trainees at all levels and has made major contributions to education in the medical school, within AHS, and in the larger community.

Dr. Joel Fox, Vice-President of the Foothills Medical Staff Association, presented the Award to Dr. Flemons at a celebratory function held in the FMC Doctor’s Lounge on Tuesday evening.

Please join us in congratulating Dr. Flemons on this outstanding achievement.
