Field of Study Health research

Value \$12,500

Number Up to Four (4) scholarships depending on available funds

Duration One year

Eligibility Open to students registered full-time in a thesis-based MSc program in the Cumming School of Medicine who are under the supervision or co-supervision of a full member of the Department of Medicine. Applicants must be within their first year or in the first semester of their second year of their CSM graduate studies at the time of the award start date. The supervisor (or co-supervisor) must be within 5 years of their initial faculty appointment (excluding leaves) at the start of the scholarship and a full member of the Department of Medicine.

Applicants must complete a statement of eligibility describing how they meet eligibility criteria and complete the full application package and checklist.

This scholarship will be matched by \$12,500 from the recipient's supervisor/co-supervisor. The student must provide a letter from the supervisor confirming the matching support.

Students holding this scholarship are expected to apply for all provincial, national or international scholarships and grants for which they are eligible. Students who are successful obtaining external awards will have their CSM Department of Medicine scholarship and/or supervisor funding adjusted accordingly.

Students may hold only one CSM Department of Medicine scholarship at any given time and may only receive this award once. Students may apply prior to acceptance into an MSc program, but funds will not be dispersed until confirmation of acceptance and registration into a CSM thesis-based graduate degree program.
