Clinical Processes Working Group:

- New working group to address issues and processes impacting multiple working groups
- Established structure of working group and issue tracking process
- Working group identified several 'horizontal' processes that cross multiple 'verticals'
- Currently working on a 'sprint' to identify documents in progress and minimize duplication

MD Training:

- Reminder to complete Online Modules for PPE: <https://cumming.ucalgary.ca/cme/courses/PPE>
- This training is 'mandatory' for non-acute care physicians and 'strongly recommended' for acute care physicians (i.e. ID, GIM, Resp, Nephro).
- The Educational toolbox is constantly being updated with several resources – see: http://www.departmentofmedicine.com/covid-19/Professional_Development_list.php?orderby=aAudience;aTitle

Communications:

- DOM MEOC open forum held yesterday – updated plan and opportunity for DOM members to ask questions about the staffing plan.
- Data collection from COVID Teams ongoing through Google Form: <https://forms.gle/9iHeh3urjwf8BDnW7>

MD Staffing:

- MEOC MD enlistment tool for MD COVID response participation to offer assistance in the care of COVID patients or other related roles active: <https://www.departmentofmedicine.com/covid-19/>
- Calgary Zone-wide enlistment tool just launched which is dedicated for non-DOM MDs (but integrated with ours)
 - o www.calgarymdcovidresponse.ca
- MD onboarding process includes the PPE training to keep yourself and your families safe
- DOM members have been sent links via email to SignUp Genius. Not to GIM and RESP divisions
- Will allow you to sign up for pod leads or pod team member
 - o 153 Pod lead shifts already signed up for
 - o 181 Pod MD shifts already signed up for
- GIM/RESP will be scheduled by site-specific schedulers

Other Working Groups:

- Other working groups continue to progress through several important components of their portfolios – Physician Safety and Wellness, Interdepartmental Affairs, Clinical Practice Guidelines

Sincerely,
The MEOC Team
